

7th- 9th , August , 2024

China International Exhibition Center(Sanyuanqiao Hall)

2024 Beijing International Coal & Mining Exhibition

Brief Introduction

2024 Beijing International Coal & Mining Exhibition will be held from 7th- 9th , August , 2024 in Beijing. At the exhibition, it is expected to have 600+ exhibitors from more than 20 countries and regions around the world, with the exhibition area of reaching 60000 square meters, as well as visitors break through about 100000 person-times.

Hosted by China Association of Plant Engineering, co-hosted by China Industry and Smart Corp., Organized by Jingshang International Exhibition Co Ltd., Beijing International Coal & Mining Exhibition takes place once every year and has been successfully held 17 sessions. The exhibition, in year of 2023, was successfully held in China International Exhibition Center (Sanyuanqiao Hall) from 5th to 7th, July. With the theme of "Smart and Low-Carbon , Shape High-quality Development Future", the exhibition focused on showing the latest equipment & technology , new solutions in the field of coal & mining production at home and abroad.

The exhibition will continue its efforts on increasing publicity and promoting influence. Also, we expand the scope of overseas exhibitors and constantly improve the international level of the exhibition for building a business platform of coal & mining for audience from China and overseas.

Why Exhibit

1. word brands converges at the exhibition with their new products and technologies

Since year of 2003, the exhibition has been developing a cannot missing exchange opportunities and business platform for the coal & mining industry.

2. providing a comprehensive coal & mining solutions

600+ exhibitors from about 23 countries and regions around the world, with 60000 square meters exhibition area and 59000 person-times visitors.

3. the new products and latest technologies

Display, see and touch the cutting-edge products and technologies, learn about the coal & mining industry trends in a shot time.

4. smart and low-carbon , shape high-quality future

Responding to the national policies of environmental protection green development,harmonious co-existence between humanity and nature,environmental & ecosystem improvement.

5. forum & meeting shares their new ideas for the future development

Face-to-face business opportunities can offer the exhibitors, visitors and delegations free environment for sharing experience & information, as well as innovative ideas for the future development.

6. efficient, economical and high-quality exhibition

Buyers match-making for win-win cooperation: makes business simple and efficient, and improves the effect of the visit without any additional cost.

Show Advantages

1. A must-participating exhibition with a long history

World brands converge at the exhibition with their new products and latest technologies for providing a comprehensive coal & mining solutions. As the top brand exhibition on coal & mining industry, more and more exhibitors regard the exhibition as the cannot-miss exchange opportunities and business platform.

2. People of similar interest do not consider the distance of seas and mountains as far

Thousands of products and technologies attract VIP delegations and buyers. Face-to-face business opportunity offer them new products and latest technologies, as well as cooperation partners. Match-making makes business simple and efficient, and improves the effect of the visit without any additional cost.

3. Industry forum & meeting for pursuing future industry solutions

The activities can offer the exhibitors, visitors and purchasing groups face-to-face communication opportunities for sharing experience and information. They get together for enjoying the business and innovative environment, and sharing their new ideas for the future development.

4. Powerful show-promoting and information-sharing medias

The organizing committee offers comprehensive publicity channels for participants and visitors, and will make full use of traditional medias (eg: newspapers, magazines, etc.), overseas medias (eg: Twitter, Facebook, LinkedIn, etc.), coal and mining portals, online promotion, etc.

Products Categories

1. Underground Mining

Coal Mining Equipment, Working Face Support, Working Face Conveying Equipment

2. Underground Tunneling:

Mechanized Tunneling Equipment, Mine Tunneling Equipment, Back Up System, Supporting Machines and Tools

3. Underground Transportation:

Belt Conveyor, Auxiliary Transportation, Rail Transportation, Auxiliary Transportation, Trackless Transportation, Mine Hoisting

4. Coal Mine Electromechanical and Power:

Coal Mine Power Supply, Electric Machine, Pump, Hydraulic Transmission, Compressor Equipment, Rigs

5. Coal Mine Auxiliary Production System:

Drainage Equipment, Ventilation Equipment, Communication and Lighting Equipment, Safety Production and Rescue, Environmental Protection System

6. SMART Mine & Automation:

Coal Mine Automation, Supporting Technology for Coal Mine Automation

7. Coal Processing & Utilization:

Coal Washing Equipment, Coal Processing and Utilization

8. Open-Air Mining:

Open-Air Mining Equipment, Transportation Equipment, Auxiliary Equipment

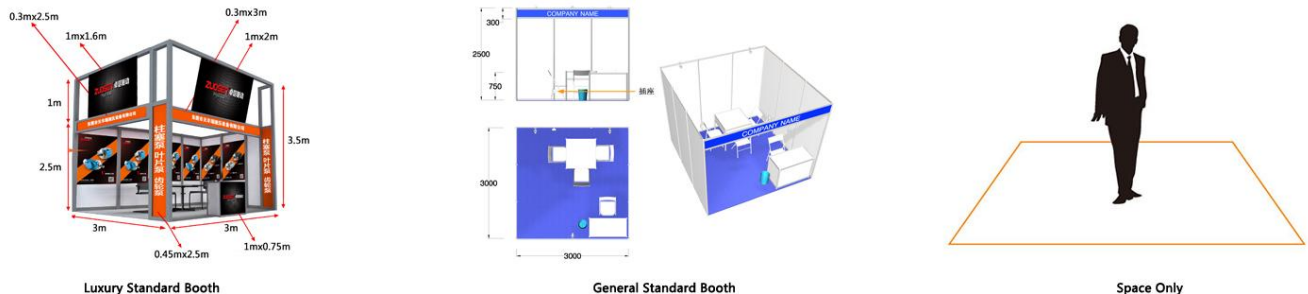

9. Coal Mine Services and Engineering:

Trading Service, Exploration and Mine Construction, Land Exploration, Mine Survey, Coal Mine Cooling

10. Mine Material, Instruments and Processing:

Mine Resources & Materials, Mine Equipment/ Apparatus/ Instrumentation, Processing & Utilization, Laser Cladding, Equipment Restoration, Welding Technique, Welding Material, Forging Process, Honing Process, Internal Spraying

Participation Cost

1. Luxury Standard Booth (3m*3m) - 4800USD/9 m²;

9 m² exhibiting space, three-surface panels, a fascia board in English and Chinese, one table, two chairs, carpet, 220V power socket, two spotlights, logo printing, one set table, two plants, water dispenser, ect.

2. General Standard Booth (3m*3m) - 4500USD/9 m²;

9 m² exhibiting space, three-surface panels, a fascia board in English and Chinese, one table, two chairs, carpet, 220V power socket, two spotlights.

3. Space Only (36 m² minimum) - 450USD/m²

exhibiting space, security services, public liability insurance.

4. Show Advertisements

A. Show Directory Book : (size: H210mm*W145mm)

front cover - 4500USD

back page - 1500USD

back cover - 3000USD

double pages - 1500USD

front page - 1800USD

normal page - 1200USD

B. Exhibitors Badges - 3000USD

Visitors Badges - 7500USD

C. Lanyards - 8900USD

Handbags - 7500USD
